

Aflac isn't health insurance

Let us show you who we really are

Hello Heartland, I hope everyone is staying healthy and safe! It is open enrollment time for your supplemental benefits offered by Heartland through Aflac. This is the time to check in, add coverage, adjust coverages, file claims and wellness, and update information. Listed below is a link to schedule your meeting time through Sign Up Genius. Enrollment packets are available for pickup in the HR office.

Traditional insurance pays doctors and hospitals. Aflac pays you. That means you can use your benefits any way you like, whether it is to pay leftover medical bills or any other expense you may have. They are your benefits, so you can use them your way.

Isn't it time to get to know Aflac? Heartland Community Health makes these Benefits available:

Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Aflac Plus Rider

The Aflac Plus Rider pays a lump sum benefit amount along with additional benefits when you are diagnosed with a covered health event.

Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

Critical Illness (Specified Health Event)

An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Hospital Confinement Indemnity

Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.
